

of the Aloha Council of the Boy Scouts of America (BSA) as they undertake the BSA Mapathon.

Headquartered in Hawaii's First Congressional District, the Aloha Council prepares young people in Hawai'i to make ethical and moral choices throughout their lifetime by instilling in them the traditional Hawaiian values of responsibility (kuleana), helpfulness (kōkua) and taking of the land (mālama i ka 'āina) with aloha.

The BSA launched the BSA Mapathon on May 8, 2020. This national effort encourages Scouts to contribute to the Missing Maps Project. This project will update and improve the Red Cross' maps for regions at the greatest risk of humanitarian crises. The Missing Maps Project enables anyone with access to a computer to participate in humanitarian mapping by crowdsourcing volunteer efforts using a free and open-source mapping software.

In Hawai'i, the Aloha Council has embodied the values of responsibility (kuleana) by advancing the mission of humanitarian mapping. Their helpfulness (kōkua) in this noble national effort and their taking care of the land (mālama i ka 'āina) with their act of aloha will be remembered in Hawai'i and our nation, especially if there is new crisis.

I am proud to join with the Scouts in promoting humanitarian mapping, especially in Hawai'i where we have done so while promoting Hawaiian cultural values. I urge the House of Representatives to recognize the work of the Aloha Council and other councils throughout our nation who have joined in on this important endeavor.

HONORING EAGAN RESIDENT RICK KLEVEN

HON. ANGIE CRAIG

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2020

Ms. CRAIG. Madam Speaker, I rise together with my Minnesota colleague Representative EMMER to honor my Eagan constituent, Richard "Rick" Kleven, on the incredible milestone of his retirement from Thrivent this month after more than 39 years of dedicated service. It has been a great experience working with Rick through the years and knowing his passion for Thrivent's unique mission as a fraternal benefit society connecting financial security and community impact.

A lifelong Minnesotan and proud "Iron-Ranger" who grew up in Grand Rapids, MN, Rick is a true Minnesota sports team fan, particularly a diehard for our Vikings. He received his J.D. from the University of Minnesota Law School and his B.A. from the University of Minnesota—Duluth. Rick has led Thrivent's Government Affairs activities for more than 17 years, and served previously in a number of roles as legal counsel and manager of corporate legal functions within the organization through his long arc of service which began in 1981 when Thrivent was Lutheran Brotherhood.

Rick has been a great advocate on policy matters on Thrivent's behalf, but also walks the walk of Thrivent's mission of service—something he learned from both of his parents, including his Dad who was awarded Itasca County's Outstanding Senior Volunteer

of the Year in 2018. Rick has volunteered as a Big Brother, served as a board member for multiple nonprofit organizations, and epitomizes the ubiquitous Thrivent t-shirt that says "Live Generously." Recently, he served as Chairman of the Board of Gilda's Club Twin Cities, and played a crucial role in helping to raise money to build the organization's clubhouse that provides support for people with cancer as well as their families and friends. Rick also served for 8 years on the board of Person to Person, a charitable organization that operates Meals on Wheels and various other programs to help the needy in the Twin Cities area. He also was part of the original start-up board of FINNEGANS, the first beer company in the world to donate 100 percent of profits back to local food shelves. Rick currently sits on the board of the American Fraternal Alliance, the nationwide coalition of not-for-profit fraternal benefit societies.

I know that Representative EMMER and I speak for many of my colleagues on both sides of the aisle from Minnesota and beyond when I say that Rick's presence will be missed here in DC. However, I hope to see Rick back home most likely either walking his dogs or still Living Generously helping our neighbors in need. We wish Rick the best in retirement. Congratulations.

RECOGNIZING TODD SPANGLER OF WHITEFISH

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2020

Mr. GIANFORTE. Madam Speaker, I rise today to honor Todd Spangler of Whitefish for providing his community with personal protective equipment during the COVID-19 outbreak.

In March, Todd read about how a group in Billings created a 3D printer design for the "Montana Mask." The developers released the design and free open-source software to the public so others could produce the mask.

Around that time, Todd's wife, who works with a local ophthalmologist, told him the practice had about a week's supply of masks. Todd, a chemistry teacher at Whitefish High School, contacted people he knew with 3D printers. In no time, an informal group of educators, physicians, and dentists started making the needed masks.

Using a 3D printer from Todd's classroom as well as others from Flathead Valley Community College, they got to work. In no time, the group produced 600 masks. Todd delivered the masks throughout the Flathead Valley, including to independent health care practices, providers at Kalispell Regional Healthcare, and first responders throughout the region.

Todd says the effort helped him find purpose during the crisis. He admits being under quarantine was challenging for him and many Montanans but identifying a need and taking the initiative to help fulfill that need have guided him. When your families and friends need masks, Todd says, you must find a way to protect your loved ones and coworkers. For Todd, this crisis, while devastating for a lot of people, has brought out the best in so many.

Madam Speaker, for taking the initiative and leading a project to protect Montanans in a

time of crisis, I recognize Todd Spangler of Whitefish for his Spirit of Montana.

CELEBRATING CHRISTIAN GUZMAN'S ENTREPRENEURIAL SPIRIT

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2020

Mr. OLSON. Madam Speaker, I rise today to recognize an incredible entrepreneur in Stafford, Texas that is sharing his love of fitness with our community.

Christian Guzman does not view his job as simply work—to him, it's his passion. Building his "playground" is his American Dream, and he is passionately pursuing it.

At only 27 years old, Mr. Guzman has used social media to build up his business, starting from an online-only presence to being in charge of his own physical gym. Mr. Guzman has built up an immense following, not only in TX-22 but around the world, drawing an audience of more than one million fitness enthusiasts online.

Now, thanks to his hard work and entrepreneurial spirit, Mr. Guzman's business, Alphaete Gym, will be expanding into a complex of gyms that will eventually feature a hotel and restaurant.

Madam Speaker, Mr. Guzman's incredible accomplishment shows that through determination, hard work and perseverance, any person can build their own "playground" and find success while doing it.

On behalf of the Twenty-Second Congressional District of Texas, I'd like to congratulate Mr. Guzman on his continued success.
